

Wed 26<sup>th</sup>**07:30**      **Departure - Secret Activity - Field Mission**

Pick up from BIA Barceló Istanbul and transfer to begin the first phase of the field mission.

**08:00**      **Arrival - First Phase of Field Mission**

Practical Section. We will witness firsthand the collaboration between various agencies over the years. We will enjoy a delicious typical Turkish breakfast.

**11:00**      **Second Phase of Field Mission**

Theoretical part. We will learn about the founding of the local agency BIA Istanbul. We will have the honor of visiting the Spanish Embassy in Turkey and the ambassador, along with other agents, will welcome us and tell us how the BIA agency was established in Turkey.

**13:30**      **Arrival at BIA Barceló Istanbul****13:45**      **Lunch**

Location: Chadir Restaurant

**14:50**      **Secret Room**

Agents are transferred to the hotel's secret room where their meetings will be held.

**15:00**      **Welcome - Secret Agent Guest**

We will begin the meeting by discussing a significant figure in the history of missions and agencies. For many years, she has been using her creativity and innovative storytelling skills to create incredible alibis for our agents. These alibis have helped our agents to infiltrate the most unlikely places and remain unnoticed when danger was present. All of this helped to ensure that many of our missions had successful outcomes.

This session will be led by M – Mari Carmen Oliver.

**15:30**      **Official Welcome  
Mission Istanbul: The Essence Matters**

The Superintendent RG will officially welcome all agents present in the room to the mission. RG will explain the mission's objectives, BIA's current situation, the missions we have successfully completed in recent years, the challenges we have faced, and our future plans.

This session will be led by BIA Superintendent Raúl González.

**16:30**      **BIA - Financial Results - Missions**

As an agency, BIA has an economic aspect that enables us to expand our reach by opening more agencies, hiring more agents, and maintaining our position as a leading agency in the world. Agent Vicente Fenollar will provide us with a detailed report on BIA's economic performance in recent years and outline the strategies to establish BIA as a leading agency globally.

This session will be led by Agent Vicente Fenollar.

**17:00**      **Coffee Break****17:30**      **BIA: Avoris Plan**

Avoris is a subsidiary agency of BIA with a presence in more than 30 countries, and they help us by providing coverage for the transfers of our agents around the world to complete missions. In this session, they will share with us their global vision, strategy, and future plans for Avoris.

This session will be led by agents Vicente Fenollar and Juan Carlos González.

**18:00**      **BIA: Digitalizing Barceló**

In recent decades, the integration of technology and the digitization of agencies have significantly transformed the process of planning, implementing, managing, and executing missions. From the technological tools and gadgets used by our agents, to the cybersecurity and protection systems of the agencies, and the communication systems between the agencies and BIA's central headquarters. Additionally, BIA has established global agreements with other agencies to acquire more powerful tools. In the end, every aspect of BIA includes some digital component.

To conclude, we will have a guest agency showcasing their latest technological developments.

This session will be led by Agent Palou and Agent Ferrer, our technology doctors.
